Period of change

1. Coming out period scrutiny - difficult - how/morale
2. E.O. 12036 - mandated changes
3. Charter legislation - prognosis

Major thrust EO/Charters

Discuss 6 areas in and out of IC - stress cooperation

Two between IC and OUTSIDE world:

1. IC and Academic Community
   - Natural and necessary
   - Working hard to restore and build this relationship - frayed
2. IC and Business Community
   - Long, excellent relationship with business - frayed - want to continue
   - New twist - want to share more

From INSIDE IC:

1. FBI - Mil Services - CIA - teamwork on CI
   - Threat increased - detente - increases access to US
   - Need full sharing
   - Bill Webster and I, old friends
2. Coordination between collection systems
   - Too many independent cowboys
   - Each think could do whole job
   - Assure instances not have mechanism
3. Cooperation between Nat'l and Tactical Collection Systems
   - No reason for rivalry, yet exists
   - Military commanders must learn to live w/o full control
   - Behind power curve making assets useful to Field Commanders
4. Need better coordination of competing analytic efforts
   - Divergent views w/o confusing decision-maker
